

Sharon Campbell-Rayment is not only an Award-winning Speaker, she is a Survivor and Inspirer. Sharon engages every group with her one-of-a-kind story and leads people to inner peace and a quiet mind, the two ideal conditions for success.

***Fascinating!** Sharon is one of only 60 people in the world with "Foreign Accent Syndrome", which occurred after a fall off a horse left her with a traumatic, acquired brain injury and medical diagnosis of "completely disabled".*

7 REASONS SHARON IS YOUR BEST CHOICE FOR YOUR NEXT EVENT:

- 1 Sharon inspires thousands of people every year with her positive energy and unique insights on how to gain inner balance and mental strength so they can sail smoothly through set-backs and distractions. Sharon shares her story of struggle, loss and eventual triumph by "getting back on the horse again".
- 2 Sharon is renowned for her very unique 21-Day NeuroMindSHIFT™ Process that shifts the mind from feeling overwhelmed, racing and frustrated to resilient, resourceful and positive. People love that this step-by-step process can be utilized immediately to shift their minds to positive action from frozen, ineffective chaos!
- 3 Sharon's message is poignant, light and full of humour. Audiences are captivated by her energy and leave feeling happier, more fulfilled, and immediately have techniques they can use right away to deal with stress, disruptions, and overwhelm to increase productivity.
- 4 Sharon's tips support leaders and teams to become tenacious and more invested in their tasks and goals with authentic meaning and directed purpose.
- 5 Sharon's first book, *Creating Inner Harmony*, is for people who feel overwhelmed by their schedules and feel beaten up by their "to do" list. Sharon gives helpful tips on tapping into the peace that is always within us, but we don't know how to reach.
- 6 Sharon's second book, *Falling Into the Rhythm of Life: Life Lessons Straight from the Horse's Mouth*, tells her remarkable story of healing, while sharing life-changing strategies she used to overcome despair and find a powerful new life purpose.
- 7 The story of how Sharon woke one day with a Scottish brogue – after living in Canada all her life – is not something you hear every day!

Steve Lowell
International Speaker & Professional Speaking Mentor

“ When I first heard Sharon tell her story I was captivated. She has a profound message to share. She'll reach your audience at the emotional level and they'll be talking about her long aft they leave the room. She's a natural on the stage! ”

Sharon's natural tenacity, humour, and positive attitude prove that, "Every adversity, every failure, every heartache carries with it the seed of an equal or greater benefit." (Napoleon Hill) Her NeuroMindSHIFT™ techniques will immediately transform chaos to harmony for greater focus, resilience, inner balance and a quiet mind.
